Receive Recognition

Top Ten is a scholastic honor conferred upon the ten girls and ten boys who have maintained the highest grade point average throughout their three years in high school.

The major purpose for naming these twenty seniors to Top Ten is to recognize outstanding scholastic achievement and to provide a group of students from which to choose the two commencement speakers.

Nine Guilford seniors qualified as finalists in the National Merit Scholarship Program. These students were chosen on the basis of their achievement on the Qualifying Test taken last spring and on other forms--chiefly the Scholastic Aptitude Test. They were notified of their rank in February.

Winners of the four-year scholarships were notified confidentially late in March, and the awards, given on a national level, were made public in April.

Leters of Commendation were also presented to the following Guilford students who scored highly on the Qualifying Test:

John Borner
Ray Brown
Philip Burns
Roger Caruana
Susan Cederstrom
Carol Cibelius
Bruce Hammond
Steven Hollon
Thomas Larsen
Philip Lowe
Sara Neustadtl
John Olson
David Wedge

This year's DAR award at Guilford was presented to senior, Jeanine Strommen.

Competition Creates

Based on dependability, service, leadership, and patriotism, the DAR Good Citizen Award is granted to one senior girl every year in each of the senior high schools of the nation. This year's recipient of the award from Guilford was Jeanine Strommen.

Jeanine was selected by a faculty committee from three finalists chosen by a vote of the senior homerooms. The other two finalists were Sheri Freeberg and Becky Nyboer.

Speech, a time-consuming activity, demands responsibility and leadership ability and offers rewards in competitive debate and district speech contests.

Initiated in 1954 by General Mills, the Betty Crocker Homemaker of Tomorrow Award is designed to emphasize the importance of homemaking as a career.

Having received the highest score on a written homemaking examination at Guilford, Bonnie Peterson had her test paper judged further for educational grants at the state and local levels.

Cited for their creative writing abilities and artistic expression, the Creative Writing Contest Winners attended a luncheon and presentation of monetary awards during the March Women's Club program.

1967 Commencement Speakers

Chosen from the Top Ten girls and boys in the Senior Class, Joan Coppoletti and John Holmstrom, this year's Commencement Speakers will represent the class of 1967 at their graduation. Early in April, seniors balloted for their choice. Votes were then tabulated by Mrs. Helen Thorsen, and the results were announced in the *Voyager*. The two spoke on topics of their own choosing at the Coronado Theater on Thursday, June 8th.

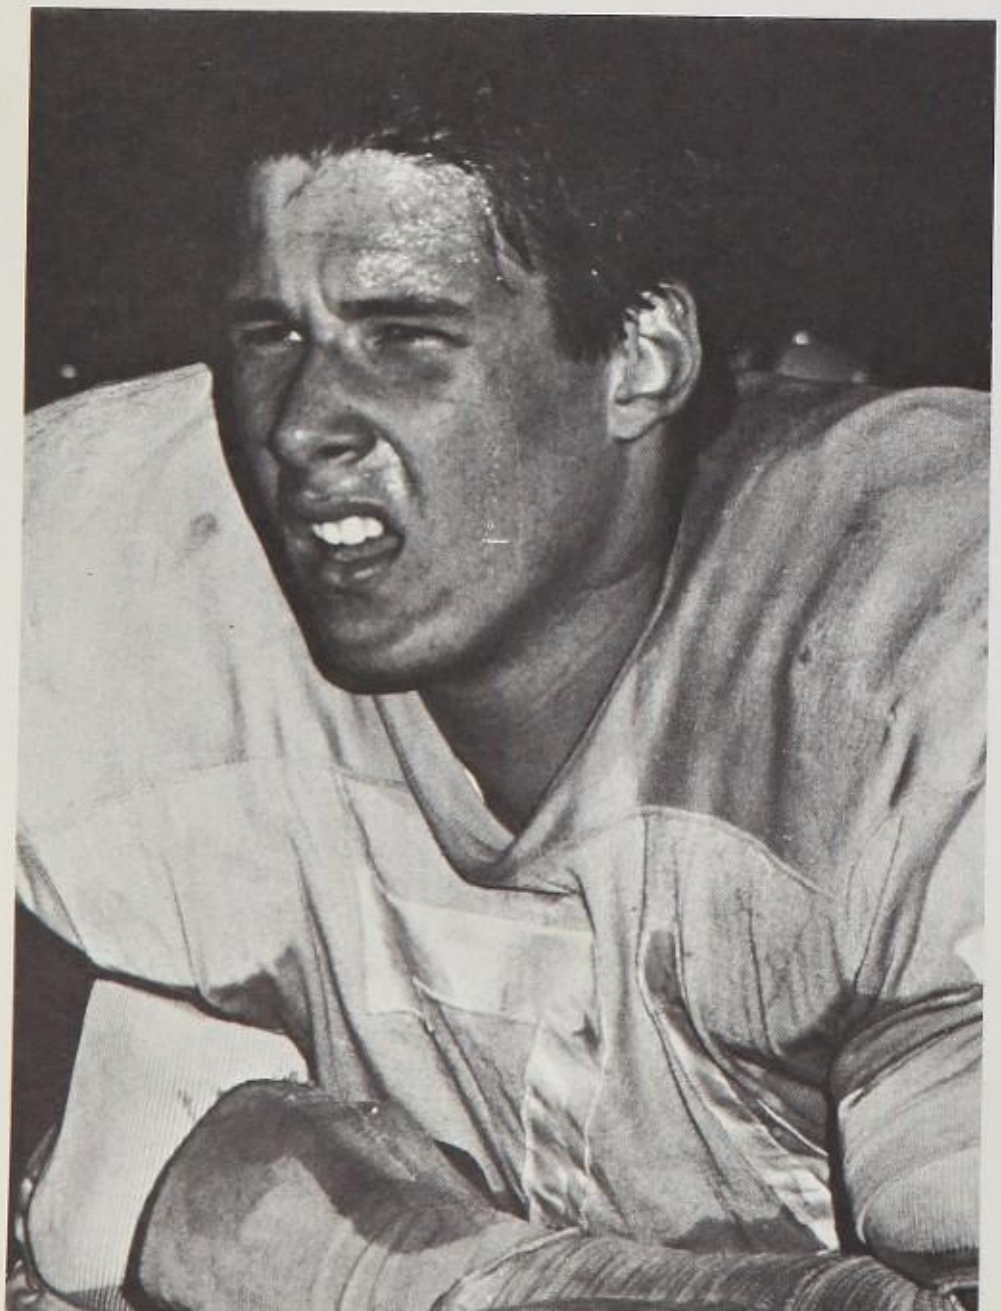
Varsity Gridders Fight To 3rd Place Tie

The agony of rough plays shows on the face of the senior tackle Frank "Massodon" Masson.



When the final whistle had blown, Guilford held a 3-6 record. There were many highlights despite the seemingly poor finish. Three Guilford players Larry Nowicki, Vern Towne, and Frank Masson made All-Conference. Larry was also named to the All-State team. The squad overcame an early shortage of players, and 12 seniors and 15 juniors received letters. With an impressive finish by the J-V and an all junior backfield, prospects for next year appear bright. Guilford's conference record was 3-4, and this gave the team a tie for 3rd place with West. The highlight of this year was the game with Boylan. Guilford lost after a terrific battle by only two crossbars.

Gale Cramer, 112, and Glen Nowicki, 145, wore Guilford blue and white downstate this year. Matmen Coach Jamison will miss next year are Chuck Peterson, Cramer, Dave Casazza, Larry Nowicki, Vern Town, and Frank Masson. These seniors could always be counted on to give a good performance, and they were a major reason that the Viking grapplers had a successful season.

Dave Casazza struggles to avert the hold.

After losing his top five players through graduation, golf coach Roger Lindeman spent a rather successful season of rebuilding.

This success came mainly through the efforts of underclassmen; the most prominent of these being freshman Tom Anderson.

Since only one senior (Rick Rasmussen) was in the top five for most of the season, Coach Lindeman is more than optimistic about next year.

As a nucleus for next year's team, he will use Chuck Ind, Steve Benjamin, Steve Keane, and Anderson; all carry-overs from this year's better than average team.

An exceptional pitching staff consisting of Glen Nowicki, Ron Holmer, and Nick Janicki added to good defense and improved hitting caused Coach Herb Sisler to be optimistic in his outlook for the 1967 Baseball Season. Starting with a 6-2 victory over Byron, the Vikings showed what could be expected of them. In what appears to be a tight race for the Big Eight Championship, the Norsemen should be in contention all the way.

Under the direction of Mrs. Diane Mitchell, the Guilford girls interested in synchronized swimming practiced every week for two months in preparation for the show.

The 1966-67 Valkyrie officers included Cris Nelson, President; Barb Whitcher, Show Chairman; and Cyndy Boyer, Secretary-treasurer.

Knowledge as Tutoring System Creates Base

To provide student leadership in school activities, to promote democratic principles, and to serve as a tie between the faculty and the student body are the goals of Student Council.

The Student Exchange Program, whereby three Guilford council members spent a week at Champaign while three Champaign students attended Guilford, was Student Council's greatest project. The Council also initiated the tutoring system. In addition, it sponsored two foster children, Homecoming, pep rallies, and the paperback book store.

Intellectual Initiative Awarded by NHS

NHS officers Phil Burns, Vice-President; Sue Grans, Treasurer; Bob Floden, President; and Jeanine Strommen, Secretary; discuss a summary of the day's meeting.

Scholarship, service, leadership, and character are the qualities of a student to be equally considered for entrance into the National Honor Society. Not more then five percent of the junior class and not more than fifteen percent of the senior class are chosen. The purpose of the society is "to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the student of Guilford High School." Under the supervision of Miss Sue Patrick, the society at each grading period awarded a scholastic banner to a homeroom from each class with the highest grade point average. The society also conducted the Induction Assembly for new members in the spring.

Encouraging appreciation of literature, Les Admiratrices de Belles Lettres is an honorary English society for junior girls who receive an "A" semester grade in English and senior girls who receive an "A" or "B." This year a guest speaker was featured at each ABL meeting. Mr. Phillip Diedrich from Rockford College spoke on the topic "Op and Pop Art," and Mr. Norman Kierney from Rock Valley College discussed a Russian novel with the group. Christmas activities included the sale of Christmas corsages, a new money raising project this year, and a party with East High School.

The highlight of the year for ABL was a trip into Chicago to view the dramatic performance, "Porgy and Bess." ABL also sponsored the annual carnation sale for May Day.

The scope of Communications Arts Club broadened this year to include debate and speech in addition to drama. The goals of the club are to support, encourage and publicize events pertaining to any of the club's three interests, and to increase its members' knowledge of all aspects of the communication arts. To fulfill this second goal, the club hosted both guest speakers and school participants in special programs aligned to the interests of its members.

The National Thespian Society, an honorary drama society, is a newly formed organization at Guilford High School. The society states it is "devoted to the advancement of dramatic arts in the secondary schools." At present, the only other Rockford high school belonging to the society is West High School.

The name Thespian is derived from Thespes, a Greek poet of the sixth century B.C., who is believed to have founded the drama. "Thespians" or "actors" was adopted in his honor.

The National Forensic League is an honor society made up of the people who are active in speech and debate contests.

The greatest value of membership in the National Forensic League is the encouragement and incentive it gives you to become an effective speaker.

The National Forensic League of Guilford is sponsoring a debate tournament in March at Guilford. We hope this will become an annual affair.

This year's officers are: Randy Thompson, President; Bruce Gaston, Vice-President; and Margorie Eisenach, Secretary-Treasurer.

For the purpose of enjoyment, game improvement, and healthy competition, Chess Club members met several times a week. Established four years ago, the club boasted fifty members and had the best potential of former Guilford Chess teams.

An active organization, the club sponsored a school tournament and hosted the Northern Illinois Invitational—a gathering of twenty-five teams from all over the state for stiff competitive chess. The club also participated in many interscholastic matches and the Boylan Big 8 Tournament of which Guilford was the defending champion. A faculty-student chess match was a new and interesting addition to the Chess Club's activities.

Sponsoring the club was Mr. Gary McLamarrah, and Allen Kemp served as president, Bob Floden as vice-president, and Chuck Peterson as treasurer.

Enlarged Library Stimulates Assistants

Debbie Shipman, '70, checks the files for the card of an overdue book.

Checking books in and out, shelving books, and finding magazines, are but a few of the many duties of the library assistants. These assistants gain experience by working in the library and by helping other students use the library facilities.

Since the library was expanded, an added job of "knowing where everything goes" was placed on each assistant. Despite this factor, everything was organized quickly and efficiently.

Cheerleaders, Revises Initiation Ceremony

This year the R-Club worked to promote school spirit in the true sense of the word. The R-Club is a select group of young men and women who have earned a sophomore, junior varsity, or a varsity award in athletics. This was the first year the cheerleaders took an active part in the club's activities, and the boys all felt they played an important role in making the year a success.

Selling booster buttons, calendars, R-Club pins and jackets, the R-Club financed a fall hayride, an after-game dance, and a spring dance. This year a new ceremony for initiating new members was established. Mr. Norm Erickson was the club's sponsor.

Since Pep Club began this year at Guilford, not only was a new attendance record of 410 set, but the number of activities also increased. Balloons were sold at most of the major home football games, and for both football and basketball games, members painted posters and learned cheers to instill enthusiasm in the student body. A dance following the basketball tip-off was co-sponsored by G.A.A. and Pep Club. Pep Club president Nancy Shepherd stated that, "All the officers had fun planning these activities, and they feel that it has been a very successful year."

Scientists Learn about Laser

Guilford Science Club is composed of students interested in all phases of science. The club is divided into four special interest groups: biology, chemistry, physics, and mathematics.

The high points of the year were two special lectures; one on the laser beam and the other on the physiology of speech. The purpose of the club is to stimulate work on projects and research papers.

Promoting interest and participation in the field of political science and keeping the student well-informed on major political issues are the two main goals of the Political Science Club.

Among this year's activities were an after-game dance and a project in which food was sent to the American boys in Viet Nam. The club also featured politicians such as John B. Anderson and Adlai Stevenson III.

Medical Science Balloons Raise Funds

Medical Science members sold balloons at Rockford Plaza on a Saturday afternoon to raise money for Guilford's foster children.

To cover the widespread fields of all of the medical sciences, the Medical Science Club consists of students interested in the fields of nursing, dentistry, lab technology, therapy, dietetics, and others. By having speakers from the various professions, the members were able to learn more about the type of work and the training necessary for it.

Sue Johnson, '67, was the president of the club this year. Linnea Blomberg, '68, was the vice-president, Chris Wright, '69, the secretary, and Julie Natho, '68, the treasurer. Miss Helen Magnuson and Mrs. Carolyn Osinski were the club's advisors.

Instead of having a Christmas party, the club visited the Children's Convalescent Home and brought cookies for a spring party. Medical Science Club also helps to support Guilford's foster children.

FBLA, COE, Prepare for Business Leadership

Cooperative Office Education is a newly-formed business club organized to provide an opportunity for its senior members to develop themselves for various jobs involving secretarial duties. This is done by the members attending classes in the morning until 12:10 and for the remainder of the day, working throughout the city.

Activities included the Homecoming float, candy sale, and a fashion show sponsored by Weise's.

The girls in this club felt that it was a very profitable program which fulfilled its purpose, and that it would be even more successful in the future.

Solar Radio Turns Electronics Club On

Organized to provide an opportunity for members to expand their knowledge of the advanced stages of electrical apparatus, the Electronics Club has been engaged in various activities this year.

Some of the projects that were worked on this year include a miniature tape recorder built by John Horth and a solar radio constructed by Bob Greenlee. Through these various projects, the club has carried out its purpose--to arouse interest in individual projects, to stress proper care and handling of equipment, and to give each individual a chance to put into practical use his knowledge of electronics.

FTA Brings Christmas to Children's Home

Learning about the opportunities in teaching, cultivating the qualities essential in a good teacher, and fostering the development of student leadership, are the basic purposes of the Future Teachers of America. During this year many activities were provided in order to accomplish these purposes.

The teacher assistant program was one of these activities. It allowed interested students to gain credit points and experience by aiding a teacher in the subject of their choice. Some of their duties were giving quizzes, correcting tests, presenting lessons to the class, and helping individual students.

Other activities included donut sales, a Christmas Party for the Children's Convalescent Home, and a trip to the University of Wisconsin at Madison.

FTA officers Nancy Palm, treasurer, Dave Calvert, president, and Margie Faeth, secretary, review the club's plans at a tea given by the Delta Kappa Gamma Society.

Opportunities for Talent Found in Madrigals

The madrigal singers are a select group of sixteen singers chosen by audition from the members of A Cappella Choir. Open only to those students with above average ability for reading music, the purpose of the organization is to provide an added avenue for the person especially gifted in vocal music. The madrigal singers are also given an opportunity to study madrigals from the Baroque Period. On a more practical level, the madrigal singers produce good public relations by singing for private and public groups.

Leaning their heads together during a song are Kris Jensen, '67, and Tom Rehfield, '67.

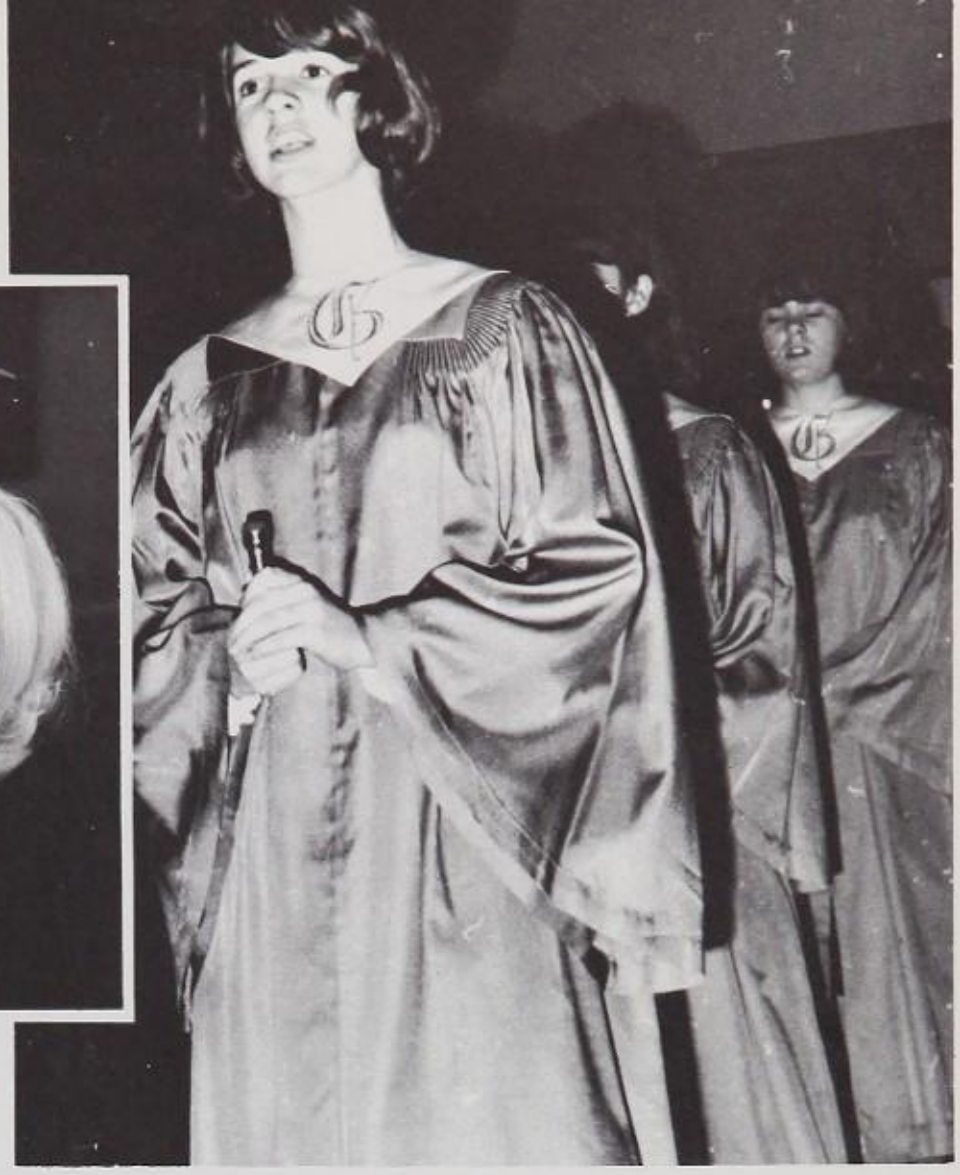
A Cappella Honored by Invitation

Secretary Anne Cordon and Treasurer Margie Chapman rehearse in their future music room.

A Cappella members limber up before beginning practice.

Barb Proctor, Barb Larson, and Kathy Hronik rehearse "Shubert's Mass in G" for an A Cappella concert.



Shelley Rin, '67, concentrates on her singing as the choir marches onto the stage at the Coronado Theatre.

to Sing in Chicago's Orchestra Hall

Roberta Palmer leads the rest of A Cappella in a new song.

Each year A Cappella Choir strives toward a higher goal. This select group worked very hard throughout the year to make Guilford's A Cappella the best in the state. The choir performed several times during the school year: the Christmas Concert December 3, their own concert March 16, Baccalaureate, Commencement, plus several school assemblies. Apart from school performances, A Cappella also sang at church programs at Christmas and Easter. The choir's greatest achievement was being asked to sing in Chicago at Orchestra Hall on April 2. This performance also included a television appearance. This past school year proved to be a most rewarding one and set a goal to be broken in the future.

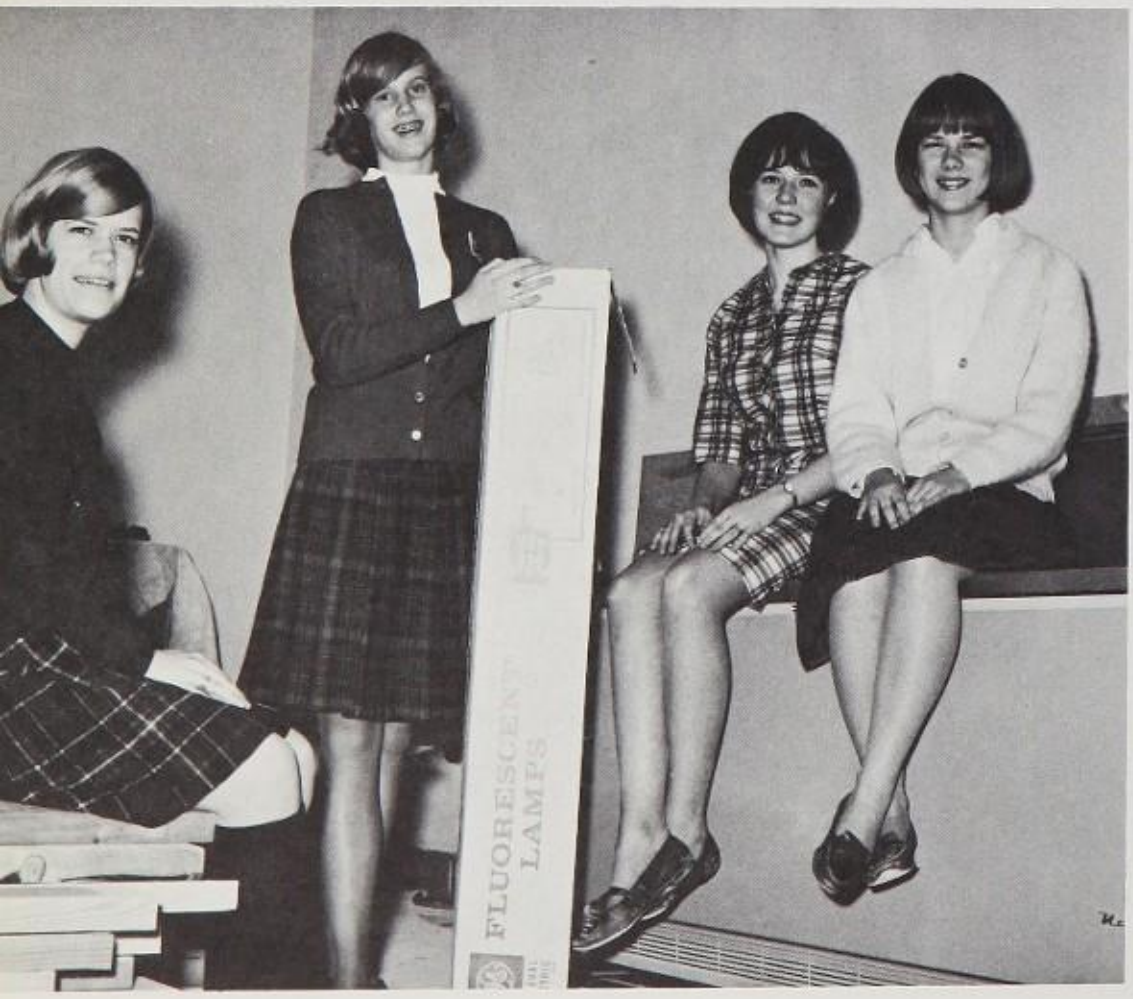
Concert Choir Aims at Vocal Perfection



Officers Kathy Monson, Susan Donstad, Rhonda Palmer, and Shelley Anderson pose in their future music room.

This past year, Girls' Concert Choir, directed by Mrs. Ruth Gustafson, strived to achieve a high degree of excellence in the perfection of vocal technique. Dynamics, pitch, blend, control and resonance were among the essentials which were confronted during the hours spent in practice every week. In addition to the class period, the choir participated in secular and sacred performances at Bethlehem Lutheran, Central Christian, Broadway Covenant and Temple Baptist Church. The choir also took part in the Christmas Concert and several members tried out for the spring musical, *The Music Man.* Accompanists for the choir were Joanne Fieser and Karen Patton. The officers were Cathy Monson, president; Susan Donstad, vice-president; Shelly Anderson, secretary-treasurer; and Rhonda Palmer, publicity chairman.

Secular, Sacred Music Comes from Vi-Hi

Four Vi-Hi Singers prepare to rehearse a number.

Both sacred and secular music in four-part harmony is sung by the Vi-Hi Singers. This organization, open to any student interested in music, consisted of forty-four members this year.

Throughout the year, the students increased their ability to sing and participated in the annual Christmas Concert and Spring Concert.

Officers for the 1966-67 school year were Ron Hamilton, president; Mark Anderson, vice-president; and Ginny Cummings, secretary-treasurer.

Bonnie Myers and Cindy Rever practice a Scottish dance.

Folk Music Appreciation is newly formed class and club of Guilford High School. The club met five days a week as a half credit subject. It was established to better understand the concepts of Folk Dance and Folk Music. Also included in its line of study were the culture and traditions of countries from which dances are derived.

Under the direction of Mrs. Ruth Gustafson, the Viking dancers appear in public performances and at private parties. The club is open to anyone interested in folk song and dance and willing to give up some study time.

Freshman Girl's Choir is a musical orientation course in which the fundamentals of music and voice production are stressed. The choir sings a wide variety of S.S.A. music. It does not, however, publically perform.

Under the direction of Mrs. Ruth Gustafson and an assistant director from A Cappella choir, the class meets twice a week for 45 minutes. This year the choir consists of 25 members. The officers are Carol Rundstrum, president; Betty Anderson, vice-president; and Orlina Johnson, secretary.

Freshman Girls' Choir officers practice a piece for their class.

Under the direction of Mr. Dennis Blunt, the Guilford Orchestra provides music at several assemblies, participates in the All-City Orchestra Festival, presents a Christmas and a Spring Concert, and trains students in wind and string techniques.

This year the Orchestra launched its uniform drive in the fall, and by the Spring Concert the students were wearing Columbia blue blazers. To raise money for these, the Orchestra members sold World's Finest Chocolates, presented a subscription concert, and sponsored an after-game dance.

Made an Active Year for the Band

In addition to hosting the Fifth Annual Band Festival, the band played at all home football and basketball games, two parades, and many assemblies throughout the year. The Spring Concert and Commencement were the band's two major concert appearances. Many band members also participated in the Guilford production of "The Music Man." The stage band and woodwind ensemble made appearances at various county schools and provided additional musical outlets to interested band members.

The band forms an interesting pattern on the field at half time of a home game.
